

Her father didn't like me anyway

Gerry Rafferty

Vers 1 *The coat she wore still lies upon the bed
The book I gave her that she never read
She left without a single word to say
And her father didn't like me any way*

Vers 2 *She always wanted more than I could give
She wasn't happy with the way we lived
I could have felt like asking her to stay
But her father didn't like me anyway.*

Refrain ***uuuuh***
*Daddy never knew just what she saw in me
Daddy didn't like my hair
Perhaps if we had talked
he'd have seen something in me
But daddy didn't really care.*

Vers 3 *To tell the truth I didn't have the nerve
I know I only got what I deserved
So now she's taken leave of me today
And her daddy didn't like me anyway*

Instrumental
Refrain ***Aaaah***

Vers 4 *The coat she wore still lies upon the bed
The book I gave her that she never read
She left without a single word to say
And her father didn't like me any way*
